Website information:

Ink Cartridge return program with FundFactory Recycling Program which will run all year. Bring your empty printer cartridges and used cell phones to our school's main office and we will recycle them and earn cash.

We are also collecting Box Tops for Education, these are found on General Mills and Kleenex products, just to name a few. Students will earn 1 Burnet Point for every 25 Boxtops. This is a year long collection program. Visit [boxtops4education.com](http://boxtops4education.com) for more information.

The Environmental Club will be collecting "pop tabs" from soda type cans to benefit the Ronald McDonald House. The Ronald McDonald House generates funds by recycling these pop tabs. The Ronald McDonald House serves families whose children are in area hospitals by providing housing regardless of their ability to pay. Our goal is to become a member of "Collect-A-Million Club."
