Dear Union Township School District Parents & Guardians(s);

We are proud and excited to be able to offer you an online pre-payment service for the Cafeteria Program. Starting, May 4th, 2009 you will be able to go online and make advanced payments at www.payforit.net.

By logging onto www.payforit.net, you can easily:

- Set up an account
- Deposit money at your convenience
- Set email reminders to notify you when your child's account gets low
- Set up recurring payment
- Check your child's account balance, at no cost
- Request an activity report so you can see what your child has eaten in the previous 14 days, at no cost

There is **NO CHARGE** for using Pay For It (PFI) to obtain balance records or to sign up for the service.

There are four easy steps to follow to begin using Pay For It:

- 1.) **Register:** A parent/guardian completes the online form at www.payforit.net that includes credit card information. An email with a validation code is then sent to the address that was entered during the registration process.
- 2.) **Validate:** The parent or guardian enters the validation code which activates their account.
- 3.) **Add Students:** Once a registered PayForIt.net member, the parent/guardian can begin to add students to their account. **To accomplish this, you must know the below information:**
 - a. Your child's student ID/PIN number. Your child's Student ID/PIN number is provided by the school.
 - b. EXACT name of student as they are enrolled in their school.
 - c. School name and Grade.
- 4.) **Deposit:** Using the, 'Make Payment', page, you can now deposit money into any or all of your student's accounts. Money deposited before midnight will typically be posted to the student's account by the following morning. **Please allow up to 24 hrs from time of payment for it to be reflected in the student's account so there is no interruption of service for the student.**

Each child in you family can be set up on the same account. If you choose not to use PayForIt.net for credit card transactions, the District continues to accept cash at each school cafeteria. Please refer all questions regarding this service to the ARAMARK Cafeteria Supervisor of your child's school or to the Food Service office at below number. Balances for returning students will be carried over to the next school year.

Thank you for your support.
Sincerely,

Jason Weeden
