**English Department**

**EN701**

**English 7 College Prep**

**Adopted 06/19/2018**

Updated 12/18/18

## **Mission Statement**

The mission of the Township of Union Public Schools is to build on the foundations of honesty, excellence, integrity, strong family, and community partnerships. We promote a supportive learning environment where every student is challenged, inspired, empowered, and respected as diverse learners. Through cultivation of students' intellectual curiosity, skills and knowledge, our students can achieve academically and socially, and contribute as responsible and productive citizens of our global community.

## **Philosophy Statement**

The Township of Union Public School District, as a societal agency, reflects democratic ideals and concepts through its educational practices. It is the belief of the Board of Education that a primary function of the Township of Union Public School System is to formulate a learning climate conducive to the needs of all students in general, providing therein for individual differences. The school operates as a partner with the home and community.

## Course Description

Students continue to develop and master skills in the areas of reading, reading comprehension, writing, listening, thinking, grammar, vocabulary, and appreciation of literature. Students practice writing in several types of writing, including explanatory, narrative, argument, and persuasive. This class will expose students to a wide variety of literary genres and writing styles, in addition to providing opportunity to mastery literary analysis skills. Students further develop concepts regarding text analysis and textual evidence, as well as the beginnings of MLA-style writing and documentation.

## Unit 1: Generations

### Unit Summary

The unit goals were backwards designed from the Performance-Based Assessment at the end of the unit and the Whole Class and Small-Group Performance Tasks. Students will read and evaluate nonfiction narratives. They will also read a variety of genres to better understand the ways writers express ideas. Students will learn elements of nonfiction narrative writing. They will write their own nonfiction narrative. They will also write for a variety of reasons including organizing and sharing ideas. They will conduct research to explore ideas. Students will develop a deeper understanding of voice, or style of writing, with word choice and sentence structure to convey meaning and add variety to their writing. Students will work together to build on one another's ideas, develop consensus, and communicate with one another. They will also learn to incorporate audio, visuals, and text in presentations.

### Essential Questions

What can one generation learn from another?

## Unit 4: Facing Adversity

### Unit Summary

The unit goals were backwards designed from the Performance-Based Assessment at the end of the unit and the Whole Class and Small-Group Performance Tasks. Students will read and analyze informative texts. They will also read a novel excerpt, news articles, and short stories to better understand the ways writers express ideas. Students will learn the elements of writing an informative text. They will also write their own informative text. They will write for a number of reasons, including organizing and sharing ideas, reflecting on experiences, and gathering evidence. They will conduct research to clarify and explore ideas. Students will develop a deeper understanding of using coordinate adjectives. They will then practice using coordinate adjectives in their own writing. Finally, students will work together to build on one another's ideas and communicate with one another. They will also learn to incorporate audio, visuals, and text in presentations.

### Essential Questions

How do we overcome obstacles?
