

TOWNSHIP OF UNION PUBLIC SCHOOLS

**Advanced Placement
United States History II**

July 21, 2020

Mission Statement

The mission of the Township of Union Public Schools is to build on the foundations of honesty, excellence, integrity, strong family, and community partnerships. We promote a supportive learning environment where every student is challenged, inspired, empowered, and respected as diverse learners. Through cultivation of students' intellectual curiosity, skills and knowledge, our students can achieve academically and socially, and contribute as responsible and productive citizens of our global community.

Philosophy Statement

The Township of Union Public School District, as a societal agency, reflects democratic ideals and concepts through its educational practices. It is the belief of the Board of Education that a primary function of the Township of Union Public School System is to formulate a learning climate conducive to the needs of all students in general, providing therein for individual differences. The school operates as a partner with the home and community.

Course Description

The Advanced Placement United States History II course is the second year of a two-year program exploring the history of the United States. This curriculum begins with post-Reconstruction Industrialization and continues chronologically to today.

Instruction emphasizes the application of higher order thinking skills as well as the analysis and investigation of issues and events essential to the various periods. Students will learn the skills and processes of the DBQ-Document Based Question and other open-ended writing responses preparing the students for the United States History Advanced Placement exam, which will be offered in May.

This course traces the history of the United States from Industrialization and Urbanization of the post-Reconstruction period up to, and including the present day. Students will examine historical issues from a variety of perspectives. Students will also analyze the causes and evaluate the effects of particular social, political, economic and civic problems of different time frames. A variety of strategies will be incorporated to communicate the content. Primary documents, individual and group research, and selected pieces of art and literature will be blended into the instructional process.
