
Township of Union Public Schools

Gregory A. Tatum
Superintendent

October 31, 2018

Dear Parents/Guardians:

I have some exciting news to share. The Township of Union Public Schools Preschool Expansion Program will begin on January 2, 2019.

Over the next few weeks I will be hosting a preschool community forum throughout the district to provide an update on the initiatives of The Township of Union's Full Day Preschool Program.

Some topics of discussion during these community meetings will be: the future of the preschool expansion program, the upcoming lottery procedure, and additional information that has been shared by the Division of Early Childhood Education of the New Jersey Department of Education.

I welcome parents of preschool aged children to attend and participate in the discussion, so we as a community, can support each other as our young learners begin their educational careers within the Township of Union Public Schools.

Please join me on one of the following evenings that is most convenient for you, from 6:30pm-8:00pm:

November 5, 2019

Hannah Caldwell Elementary School

November 26, 2019

Washington Elementary School

November 15, 2019

Connecticut Farms Elementary School

December 6, 2019

Union High School

Sincerely,

Gregory Tatum
Superintendent
