

# LD Virtual Tutoring

## Course-Specific Tutoring Support for High School & College Students Who Learn Differently

Do you need to improve your study skills to read, write and recall more effectively?  
Do you struggle to do well in a particular academic subject?  
Are you often late handing in assignments or find yourself stressed before tests?

With LD Virtual Tutoring, you can connect to **convenient, affordable and expert tutoring and learning strategies** that can help you succeed in the classroom.

### LD VIRTUAL TUTORING SERVES

- High school juniors and seniors who learn differently
- Undergraduate and graduate college students who learn differently

### PROGRAM HIGHLIGHTS

- **One-to-one online tutoring** and learning skills strategies
- Course-specific tutoring directly **focused on an actual class**
- Weekly, 45-minute sessions via **face-to-face videoconferencing** — scheduled at the student's choosing
- A **30-year record of performance** and innovation supporting students who learn differently

### Also Available: STUDY SKILLS TUTORING

Build your skills in memory and retention strategies, time management, , reading comprehension strategies for textbooks and more!
