May 5, 2020

To Whom It May Concern:

The Township of Union Schools has taken precautions to prevent the spread of COVID-19 (coronavirus) by closing all schools starting Monday, March 16th until further notice. On Monday, May 4, 2020, Governor Murphy announced in-person school has been cancelled for the remainder of the 2019-2020 school year. This directive by the governor’s executive order for COVID-19 is in effect until at least June 30, 2020. At this point, we are unable to determine if summer programs will resume after June 30th.

All students began remote learning beginning Tuesday, March 17, 2020. Parents will need to assist their students in communicating with their teachers and facilitating the remote learning plan throughout the duration of school year.

This letter serves as documentation for families to provide to their employer for leave to remain with their students while schools are closed. If more specific information is needed parents may contact my assistant, Julia Vicidomini, at jvicidomini@twpunionschools.org to make a request.

At this time, we cannot provide a specific date when schools will reopen. As we are provided updated information and directive from the state, all parents will be updated accordingly.

Sincerely,

Gregory Tatum
Superintendent
