

ATTENDANCE PATTERNS

The Township of Union Board of Education believes that the regular presence of assigned personnel is vital to the success of the district's educational program. Consistent absenteeism or tardiness is unacceptable and subject to disciplinary action.

The superintendent shall develop and the board shall adopt a plan to encourage all staff to strive for excellent attendance and punctuality records. These procedures should include a requirement that the staff member personally report all illnesses and request all leave at the earliest possible time. Procedures shall be in accordance with New Jersey statutes and district negotiated contracts.

The superintendent shall report on staff attendance and punctuality at every regular monthly board meeting.

Provisions shall be made for public acknowledgment of outstanding staff attendance records.

Absences the Day Before or After a School Holiday

Employees shall not be absent from work on days immediately before school holidays or vacation periods except for medical reasons which are certified by a physician or because of a death in the immediate family.
