SPECIAL EDUCATION INSTRUCTIONAL MATERIAL TO BLIND OR PRINT-DISABLED STUDENTS

All students that are blind or print-disabled will be provided instructional materials in a timely manner in accordance with a plan developed by the district.

The plan to provide the instructional materials to blind or print-disabled students in a timely manner will:

- A. Be included in the Individualized Education Program of each student with a disability;
- B. Set forth the instructional materials needed by the student;
- C. Indicate how the instructional materials will be provided to the blind or print-disabled student; and
- D. Address any assistive technology needed to permit the student to utilize the instructional materials to be provided.
