

**Academic Achievement Program (AAP)**  
***School Year 2016-2017***

Academic Achievement Program (AAP) teachers will provide supplemental instruction in Language Arts Literacy and Mathematics for identified students in grades K-8.

Eligibility for AAP is determined by student performance on state and/or district assessments, classroom academic progress, and additional assessment measures. This program is designed to meet students' individual instructional needs.

The goal of the program is to remediate targeted skills and/or gaps in learning in order for our students to perform at a level equal with his or her grade placement.

Pull-out and push- in class instruction is offered in Language Arts and/or Mathematics for grades 1- 5 and for grades 6-8.

Each student academic progress is monitored each marking period. At the end of the school year a determination is made whether AAP should be offered for the following year.
