

TOWNSHIP OF UNION PUBLIC SCHOOLS

Grade 5 Social Studies

August 20, 2019

Mission Statement

The mission of the Township of Union Public Schools is to build on the foundations of honesty, excellence, integrity, strong family, and community partnerships. We promote a supportive learning environment where every student is challenged, inspired, empowered, and respected as diverse learners. Through cultivation of students' intellectual curiosity, skills and knowledge, our students can achieve academically and socially, and contribute as responsible and productive citizens of our global community.

Philosophy Statement

The Township of Union Public School District, as a societal agency, reflects democratic ideals and concepts through its educational practices. It is the belief of the Board of Education that a primary function of the Township of Union Public School System is to formulate a learning climate conducive to the needs of all students in general, providing therein for individual differences. The school operates as a partner with the home and community.

Course Description

The fifth grade social studies curriculum is aligned with the New Jersey Student Learning Standards. The guide provides essential questions and objectives for each of the major content areas of study. The objectives are related to the essential questions. At the conclusion of each unit, the student is expected to be able to respond to the essential questions and objectives. In addition, lessons in friendship, respect, and tolerance have been included with NJSA 18A:35-28 Holocaust/Genocide Education and with The Amistad Bill (A 1301).
