Prior Authorization	Some services/procedures require prior authorization. For a complete list, contact our customer service number at 1-800-355-BLUE (2583) or refer to our website at www.HorizonBlue.com .
24/7 Nurse Line	24/7 Nurse Line is a health information service that includes a toll free 24 hour health information line staffed by registered nurses. 24/7 Nurse Line nurses do not diagnose or recommend any treatment. Instead, they provide the member with the necessary health information needed to make informed medical decisions. This helps members determine if their health ailment requires a doctor's visit.

You can save money when you choose to receive care from providers that participate in the Horizon BCBSNI networks. When you use participating hospitals or other medical facilities or doctors, you generally only pay your copayment and any applicable in-network coinsurance or deductible. Generally, if you have services performed at an out of network facility or by an out of network provider, your out of network benefits will apply. This means that you will be responsible for amounts exceeding Horizon BCBSNI's allowable reimbursement for that particular service and this may result in significant out of pocket costs. You will be responsible to pay for this amount directly to the non-participating hospital, ambulatory surgery center or provider. By using our Horizon-BCBSNI network providers, you keep your health care costs down.

Please note that the benefit highlights are provided for informational purposes. Horizon BCBSNI makes every effort to provide clear and accurate information pertaining to these benefit highlights. However, because Horizon BCBSNI generally expects continued guidance from regulators on issues pertaining to Federal health care reform, the information that has been provided is subject to change. Horizon BCBSNI will provide notice of such changes to members pursuant to State and Federal requirements.

This summary highlights the major features of your health benefit program. It is not a contract and some limitations and exclusions may apply. Payment of benefits is subject solely to the terms of the contract. Please refer to your benefit booklet for more information.
