

**Morris-Union Jointure Commission**  
**ONLINE - PARENT AWARENESS WORKSHOP**  
**Promoting Routine & Structural Strategies**  
**at Home to Prevent Problem Behaviors**

**Description:**

It goes without saying that structure influences behavior. Addressing behavior at home can be a challenge at any age. Often, we make the mistake of reinforcing the behavior instead of identifying “why” the behavior is happening. This online workshop will provide participants with the fundamentals of examining and analyzing behavior in a different way and assisting with the development of sound structure and routines that can be utilized in the home.
